ARTICLE I - DEFINITIONS

"Commencement Date" shall mean June 15, 2023, the date upon which this Lease becomes effective and binding upon the parties.

"Landlord" shall mean Mojave Solar Ranch LLC, a California limited liability company, and its successors and assigns.

"Tenant" shall mean Desert Bloom Solar LLC, a Delaware limited liability company, a wholly-owned subsidiary of Solara Holdings LLC.

"Premises" shall mean approximately four hundred eighty (480) acres of real property located at 12500 Mojave Desert Highway, Barstow, San Bernardino County, California 92311, as more particularly described in Exhibit A attached hereto.

"Project" shall mean the Desert Bloom Solar + Storage facility, consisting of a 75 MW AC / 98.5 MW DC photovoltaic solar energy generation system with 15.6 MWh / 7.6 MW battery energy storage system and all associated improvements, equipment, and infrastructure.

"Permitted Use" shall mean the construction, installation, operation, maintenance, repair, replacement, and removal of a solar energy generation facility, battery energy storage system, and all ancillary facilities, equipment, and improvements necessary or useful for the generation, storage, transmission, and sale of electrical energy.

"Rent Commencement Date" shall mean June 15, 2023, which is the same as the Commencement Date.

"Substantial Completion" shall mean the date upon which the Project has achieved Commercial Operation, as evidenced by the issuance of a Permission to Operate (PTO) by Southern California Edison dated April 15, 2024.

ARTICLE II - LEASE OF PREMISES

Section 2.1. Grant of Lease. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the Premises, together with all rights, privileges, easements, and appurtenances thereto, for the Permitted Use, subject to the terms and conditions set forth in this Lease.

Section 2.2. Description of Premises. The Premises consist of approximately four hundred eighty (480) acres of unimproved land located at 12500 Mojave Desert Highway, Barstow, San Bernardino County, California 92311, as more particularly described in the legal description attached hereto as Exhibit A and depicted on the site plan attached hereto as Exhibit B. The Premises include all improvements, structures, and facilities now or hereafter located thereon.

Section 2.3. Condition of Premises. Tenant accepts the Premises in their current "AS IS" condition. Landlord makes no representation or warranty regarding the condition of the Premises, except as expressly set forth in Article XIII of this Lease. Tenant has conducted its own due diligence investigations, including Phase I Environmental Site Assessment, geotechnical studies, ALTA survey, and other investigations deemed necessary by Tenant.

Section 2.4. Quiet Enjoyment. Landlord covenants that Tenant, upon paying the Rent and performing all covenants and conditions required under this Lease, shall and may peaceably and quietly have, hold, and enjoy the Premises during the Term without interference from Landlord or any person claiming through Landlord.

ARTICLE III - TERM

Section 3.1. Initial Term. The initial term of this Lease ("Initial Term") shall commence on the Commencement Date (June 15, 2023) and shall expire on the twenty-fifth (25th) anniversary thereof, being June 14, 2048 ("Expiration Date"), unless sooner terminated in accordance with the provisions hereof.

Section 3.2. Renewal Options. Tenant shall have the right to extend the Term of this Lease for two (2) additional periods of five (5) years each (each, a "Renewal Term") upon written notice to Landlord given not less than twelve (12) months prior to the expiration of the then-current term. Each Renewal Term shall be upon the same terms and conditions as set forth herein, except that the Base Rent during each Renewal Term shall be adjusted as provided in Section 4.3.

Section 3.3. Early Termination. Tenant may terminate this Lease at any time upon not less than twelve (12) months' prior written notice to Landlord, provided that Tenant shall pay Landlord an early termination fee equal to two (2) years of the then-current Base Rent and shall comply with the decommissioning and site restoration obligations set forth in Section 5.4.

Section 3.4. Holdover. If Tenant remains in possession of the Premises after the expiration or termination of the Term, such holdover shall be on a month-to-month basis at one hundred fifty percent (150%) of the then-current Base Rent, subject to all other terms and conditions of this Lease.

ARTICLE IV - RENT

Section 4.1. Base Rent. Commencing on the Rent Commencement Date (June 15, 2023) and continuing throughout the Term, Tenant shall pay to Landlord an annual base rent of One Hundred Eighty-Five Thousand Dollars (\$185,000.00) ("Base Rent"), payable in equal monthly installments of Fifteen Thousand Four Hundred Sixteen Dollars and Sixty-Seven Cents (\$15,416.67), due and payable on the first (1st) day of each calendar month, in advance.

Section 4.2. Rent Escalation. The Base Rent shall increase by two percent (2.0%) per annum on each anniversary of the Commencement Date (June 15 of each Lease Year), commencing on the first (1st) anniversary of the Commencement Date. The adjusted Base Rent for selected years shall be as follows:

Lease Year 1 (2023-2024): \$185,000.00
Lease Year 2 (2024-2025): \$188,700.00
Lease Year 3 (2025-2026): \$192,474.00
Lease Year 5 (2027-2028): \$200,339.22
Lease Year 10 (2032-2033): \$221,213.13
Lease Year 15 (2037-2038): \$244,253.67
Lease Year 20 (2042-2043): \$269,678.45
Lease Year 25 (2047-2048): \$297,780.61

Section 4.3. Renewal Term Rent. During any Renewal Term, the Base Rent shall continue to escalate at two percent (2.0%) per annum as provided in Section 4.2.

Section 4.4. Additional Rent. In addition to Base Rent, Tenant shall pay all real property taxes, assessments, and governmental charges levied against the Premises during the Term ("Additional Rent"). Landlord shall forward all tax bills and assessment notices to Tenant within thirty (30) days of receipt.

Section 4.5. Late Payment. If any installment of Rent is not received by Landlord within ten (10) days after the date due, Tenant shall pay a late charge equal to five percent (5%) of the overdue amount, plus interest on the unpaid amount at the rate of the prime rate published by The Wall Street Journal plus three percent (3%) per annum from the date due until paid.

ARTICLE V - PERMITTED USE

Section 5.1. Permitted Use. Tenant shall use the Premises solely for the Permitted Use, which includes, without limitation:

(a) The construction, installation, operation, maintenance, repair, replacement, and removal of photovoltaic solar panels, racking systems, single-axis trackers, inverters, transformers, switchgear, and all associated electrical equipment;

(b) The construction, installation, operation, maintenance, repair, replacement, and removal of battery energy storage systems, including Tesla Megapack units and associated balance-of-system equipment;

(c) The construction and maintenance of access roads, fencing, security systems, meteorological stations, communications equipment, and supervisory control and data acquisition (SCADA) systems;

(d) The construction and maintenance of electrical interconnection facilities, including overhead and underground transmission lines, substations, and switching stations necessary to deliver electrical energy to the utility grid at the point of interconnection with Southern California Edison;

(e) Vegetation management activities necessary to maintain the safe and efficient operation of the Project.

Section 5.2. Compliance with Laws. Tenant shall comply with all applicable federal, state, and local laws, ordinances, regulations, codes, and permits in the construction, installation, operation, maintenance, and decommissioning of the Project.

Section 5.3. Approvals and Permits. Tenant shall, at its sole cost and expense, obtain and maintain all governmental approvals, permits, and licenses necessary for the Permitted Use, including but not limited to conditional use permits, building permits, grading permits, electrical permits, and any required environmental clearances.

Section 5.4. Decommissioning and Site Restoration. Upon the expiration or earlier termination of this Lease, Tenant shall, at its sole cost and expense, remove all improvements, equipment, and personal property from the Premises and restore the Premises to substantially the same condition as existed on the Commencement Date, reasonable wear and tear and casualty excepted. Tenant shall complete such removal and restoration within twelve (12) months after the expiration or termination of the Term.

ARTICLE VI - ASSIGNMENT AND SUBLETTING

Section 6.1. Assignment by Tenant. Tenant may assign this Lease or any interest herein, or sublet the Premises or any portion thereof, upon written notice to Landlord, without the need for Landlord's consent, provided that:

- (a) The assignee or sublessee assumes all obligations of Tenant under this Lease;
- (b) Tenant provides Landlord with at least thirty (30) days' prior written notice of such assignment or subletting;
- (c) Tenant shall not be released from its obligations under this Lease by reason of any assignment unless expressly agreed in writing by Landlord.

Section 6.2. Collateral Assignment. Tenant may, without Landlord's consent, collaterally assign this Lease and/or grant a leasehold mortgage or security interest in Tenant's leasehold estate to any lender or financing party providing construction or permanent financing for the Project ("Lender"). Landlord agrees to enter into a commercially reasonable consent and estoppel agreement with any such Lender, substantially in the form attached hereto as Exhibit D.

Section 6.3. Assignment by Landlord. Landlord may transfer or assign Landlord's interest in this Lease or the Premises, provided that any such transferee or assignee shall assume all obligations of Landlord under this Lease and Landlord shall provide Tenant with written notice of such transfer at least thirty (30) days in advance.
